Acuitas Therapeutics Names New Finance & Operations Senior Director

Vancouver, B.C. – Abi Coman-Walker has joined Acuitas Therapeutics as Senior Director, Finance & Operations. Ms. Coman-Walker comes to the newly created position on the Acuitas executive from HSBC, where over her 16-year tenure she held senior roles in seven countries, including: Strategic Programme Director; Chief Operating Officer, Wealth and Personal Banking; and Global Head of Business Financial Crime and Regulatory Risk, Retail Banking & Wealth Management.

“Acuitas Therapeutics has experienced exceptional growth over the past year and Abi’s international experience will be invaluable in building on this success. In addition, Abi brings an entirely new perspective as we plan for the future,” said Acuitas Therapeutics President & CEO, Dr. Thomas Madden. He added, “We are thrilled that Abi is joining Acuitas and the entire team is looking forward to working with her.”

About Acuitas Therapeutics

Founded in February 2009, Vancouver-based Acuitas Therapeutics (www.acuitastx.com) is a private biotechnology company that specializes in the development of delivery systems for nucleic acid therapeutics based on lipid nanoparticles. The company partners with pharmaceutical companies, biotechnology organizations and academic institutes to advance nucleic acid therapeutics to the clinical trial phase and to the marketplace. The team works with partners to develop new therapies to address unmet clinical needs based on its internationally recognized capabilities in delivery technology.
